

LINCOLN CITY/LANCASTER COUNTY PLANNING STAFF REPORT

P.A.S.: Special Permit #1774A

DATE: March 19, 2002

PROPOSAL: To reduce the rear yard setback on Lot 4 from 15 feet to 5 feet

WAIVER REQUEST: Adjustment of rear yard setback on one lot

LAND AREA: 3.0 acres, more or less

CONCLUSION: The proposed rear yard setback does reduce the amount of open space on Lot 4.

Lot 4 is the shallowest and smallest lot in the C.U.P. Also, it backs onto Outlot "A" - the open space for this C.U.P. For these reasons, the request to reduce the rear yard setback is acceptable.

RECOMMENDATION:

Conditional Approval

GENERAL INFORMATION:

LEGAL DESCRIPTION: Lots 1-8 and the southern portion of Outlot "A", Wilderness Estates 2nd Addition, located in the NW 1/4 of Section 14, T9N, R6E of the 6th P.M., Lancaster County, Nebraska (more particularly described in the attachment).

LOCATION: S. 7th Street and Glenridge Road (south of Old Cheney Road)

APPLICANT: Lyle L. Loth - E.S.P.
601 Old Cheney Road - Suite "C"
Lincoln, NE 68512

OWNER: same

CONTACT: Brian D. Carstens & Associates
601 Old Cheney Road - Suite "A"
Lincoln, NE 68512

EXISTING ZONING: R-2 Residential

EXISTING LAND USE: Vacant lot

SURROUNDING LAND USE AND ZONING:

North:	O-3	Office building
South:	R-2	Residential
East:	R-2	Residential
West:	AG & P	Railroad and Wilderness Park

HISTORY:

December 15, 1999 Planning Commission approves Wilderness Estates 2nd Addition Final Plat.

August 23, 1999 City Council approves the Wilderness Estates 3rd Addition Preliminary Plat and C.U.P.

COMPREHENSIVE PLAN SPECIFICATIONS: The Comprehensive Plan designates this area as Urban Residential.

UTILITIES: Available. L.E.S. has a 15' wide utility easement on the south side of Lot 4's rear lot line.

TOPOGRAPHY: Lot 4 slopes at 6% down towards the wetlands and flood plain to the north.

TRAFFIC ANALYSIS: S. 7th Court and Glenridge Road are local residential streets.

PUBLIC SERVICE: City of Lincoln Fire and Police

ENVIRONMENTAL CONCERNS: Protection of wetlands and flood plain.

AESTHETIC CONSIDERATIONS: Reduction of yard area around the dwelling.

ALTERNATIVE USES: A smaller dwelling which meets the 15' rear yard setback.

ANALYSIS:

1. This application modifies the rear yard setback on one lot within an existing community unit plan.
2. L.E.S. has indicated that they do not object to relocating the easement.

3. Lot 4 backs onto Outlot "A", which has been reserved as non-buildable open space with wetlands, flood plain, and trees. It is also the shallowest and smallest lot within the C.U.P. For these reasons, the request to reduce rear yard setback is acceptable.

CONDITIONS:

Site Specific:

1. This approval permits eight single family dwelling units and an adjustment of rear yard setback to 5 feet on Lot 4.

General:

2. Before receiving building permits:
 - 2.1 The permittee shall have submitted a revised and reproducible final plan including 5 copies showing the following revisions and the plans are acceptable:
 - 2.2 The construction plans shall comply with the approved plans.
 - 2.3 The existing L.E.S. easement must be released and the relocated easement filed with the Register of Deeds.

STANDARD CONDITIONS:

3. The following conditions are applicable to all requests:
 - 3.1 Before occupying the dwelling units all development and construction shall have been completed in compliance with the approved plans.
 - 3.2 All privately-owned improvements shall be permanently maintained by the owner or an appropriately established homeowners association approved by the City Attorney.
 - 3.3 The site plan accompanying this permit shall be the basis for all interpretations of setbacks, yards, locations of buildings, location of parking and circulation elements, and similar matters.
 - 3.4 This resolution's terms, conditions, and requirements bind and obligate the permittee, its successors and assigns.

- 3.5 The applicant shall sign and return the letter of acceptance to the City Clerk within 30 days following the approval of the special permit, provided, however, said 30-day period may be extended up to six months by administrative amendment. The clerk shall file a copy of the resolution approving the special permit and the letter of acceptance with the Register of Deeds, filling fees therefor to be paid in advance by the applicant.
4. The site plan as approved with this resolution voids and supersedes all previously approved site plans, however all resolutions approving previous permits remain in force unless specifically amended by this resolution.

RE: WILDERNESS ESTATES 3RD ADDITION - OLD CHENEY ROAD & SOUTH 7TH STREET
SPECIAL PERMIT #1774-A - COMMUNITY UNIT PLAN

Dear Kathleen,

On behalf of Lyle L. Loth, we are submitting the following Community Unit Plan/ Special Permit #1774-A. This Special Permit shall amend the rear yard setback on Lot 4 from 15 feet to 5 feet. The existing 15 foot utility easement has been shifted to show 5 feet on Lot 4 and 10 feet on Outlot 'A'. The owner/ developer will be responsible for any relocation of utilities in the relocating of the utility easement.

Lyle L. Loth has sold this lot, pending the approval of this amendment. We have shown the proposed footprint of the residence and future deck on the submittal.

All existing trees will not be affected by the change of the rear yard setback. The calculated area of the 15 foot rear yard as approved was 1,569.26 square feet and the area of actual rear yard from this change is 1,389.72 square feet. Therefore, the new rear yard will only have a net loss of 179.54 square feet.

Please contact me if you have any further questions.

Sincerely,

Brian D. Carstens

IMPORTANT

All revisions to plans must include Building Permit # and Job Address.

Return this report with two sets of corrected plans. The corrections noted below are required to be made to the plans prior to issuance of a permit. Please indicate under each item where the correction is made by plan sheet number or plan detail number.

A separate set of plans for review and final approval must be submitted by the licensed installing contractor/s if fire suppression systems, sprinklers, dry powder, fire alarm systems or underground tanks are installed.

INTER-DEPARTMENT COMMUNICATION

DATE March 15, 2002

TO Jason Reynolds, City Planning

FROM Sharon Theobald
(Ext. 7640)

SUBJECT DEDICATED EASEMENTS
DN #58S-7E

Attached is the Community Unit Plan/Special Permit #1774-A for Wilderness Estates 3rd Addition.

In reviewing the dedicated transmission line or other electrical easements shown on this plat, LES does not warrant, nor accept responsibility for the accuracy of any such dedicated easements.

ALLTEL, Time Warner Cable, and the Lincoln Electric System will offer no objections to the Special Permit request.
